ANNUAL INDEX

SUBJECT INDEX TO VOLUME 48

ACCESSIBLE HEALTH CARE

Mobile health units: Design and implementation considerations. Murphy, D.C. 48(11), 526-532.

ADVOCACY

Editorial: The occupational and environmental health nurse and health surveillance. Simonowitz, J.A. 48(2), 56-58.

AGING

The aging employee: Impact on occupational health. Mangino, M. 48(7) 349-357.

AIDS

Linking Practice & Research: Postexposure prophylaxis for HIV exposed health care workers. Lusk, S.L., Robbins, W.A. 48(3), 149-151.

ALTERNATIVE WORKPLACES

Telecommuting: Occupational health considerations for employee health and safety. Healy, M.L. 48(6), 305-313.

ANNUAL REPORT

Management File: The annual report: Documenting organizational results. Amann, M.C. 48(11), 509-511.

AMERICANS WITH DISABILITIES ACT

Legal Issues: EEOC's ADA policy guidance: Part I. D'Arruda, K. 48(1), 48-50.

Legal Issues: EEOC's ADA policy guidance: Part II. D'Arruda, K. 48(4), 197-200.

Legal Issues: Supreme Court decisions impact ADA. D'Arruda, K. 48(7), 322-324.

ASTHMA

Reducing asthma morbidity and mortality: Cost containment strategies. Kowalski, A.F. 48(9), 418-422.

AUTHOR INFORMATION

Getting published online and in print: Understanding the publication process. Nemcek, M.A. 48(7) 344-348.

BEREAVEMENT

Bereavement support: The occupational health nurse's role when death comes to work. Quan, J. & Wadsworth, M. 48(10), 461-469.

BEST PRACTICE

AAOHN Advisory: Best practices in an occupational health and safety program: Voluntary protection program (VPP) model. 48(1), 8A.

BURNOUT

Express Speak: Burnout and the power of one. Sitzman, K. 48(9), 452.

BUSINESS PLAN

Starting a business as a nurse consultant: Practical considerations (CE Article). Papp, E.M. 48(3), 136-142.

The self employed occupational and environmental health nurse: Maximizing business success by managing financial resources. Rainer, S.R., Papp, E. 48(4), 185-194.

BUSINESS WRITING

Management File: The annual report: Documenting organizational results. Amann, M.C. 48(11), 509-511.

CARPAL TUNNEL SYNDROME

Carpal tunnel syndrome: Testing the sensitivity and validity of four localized discomfort instruments. Randolph, J.A. 48(8), 385-394.

CERTIFICATION

AAOHN Advisory: Understanding certification. 48(4), 160A.

CHILD CARE WORKERS

Child care work: Organizational culture and health and safety. Calabro, K.S., Bright, K.A., Cole, F.L., Mackey, T., Lindenberg, J., Grimm A. 48(10), 480-486.

CONFIDENTIALITY

Editorial: The occupational and environmental health nurse and health surveillance. Simonowitz, J.A. 48(2), 56-58.

Genetic information in the workplace: Implications for occupational health surveillance. Schill, A.L. 48(2), 80-91.

Legal issues: Confidentiality and disclosure of medical records under the Occupational Safety and Health Act. D'Arruda, K. 48(10), 458-460.

CONSULTATION

Starting a business as a nurse consultant: Practical considerations (CE Article). Papp, E.M. 48(3), 136-142.

The self employed occupational and environmental health nurse: Maximizing business success by managing financial resources. Rainer, S.R., Papp, E. 48(4), 185-194.

COST CONTAINMENT

Reducing asthma morbidity and mortality: Cost containment strategies. Kowalski, A.F. 48(9), 418-422.

CREDENTIALING

AAOHN Advisory: Understanding certification. 48(4), 160A.

CRISIS

Critical incident stress management. Lim, J.J., Childs, J., and Gonsalves, K. 48(10), 487-497.

CUMULATIVE TRAUMA DISORDERS

Ergonomics: CTD management evaluation tool. Ostendorf, J.S., Rogers, B., Bertsche, P.K. 48(1), 17-24.

DANCING

Occupational hazards in female ballet dancers: Advocate for a forgotten population. Kelman, B.B. 48(9), 430-434.

DEATH

AAOHN Advisory: Workplace violence. 48(10), 460A.

Bereavement support: The occupational health nurse's role when death comes to work. Quan, J. & Wadsworth, M. 48(10), 461-469.

DOCUMENTATION

Managing litigation risk: Documentation strategies in the occupational health setting (CE Article). Baker, S.K. 48(2), 100-105.

EDUCATIONAL RESEARCH CENTERS

The impact of educational research centers on occupational health and safety alumni competence: A program evaluation. McGovern, P.M., Kochevar, L.K., Olson, D.K., Nelson, W.F., & Findorff, M.J. 48(12), 553-562.

ANNUAL INDEX

ENTREPRENEURSHIP

Starting a business as a nurse consultant: Practical considerations (CE Article). Papp, E.M. 48(3), 136-142.

ENVIRONMENTAL HEALTH

Editorial: Latex allergy. Bain, E.I. 48(6), 266.

Is "latex safe" possible? Using a systematic approach in occupational health. Hood, J. 48(6), 291-296.

Latex glove allergy—dilemma for health care workers: An overview. Roy, D.R. 48(6), 267-277.

Latex sensitivity in Washington state acute care hospitals: A needs assessment and survey of awareness of the issues. Cohen, M.A., Kaufman, J.D. 48(6), 297-304.

Research based prevention strategies: Management of latex allergy in the workplace. Miller, K.K. 48(6), 278-290.

EQUAL EMPLOYMENT OPPORTUNITY COMMISSION

Legal Issues: EEOC's ADA policy guidance: Part I. D'Arruda, K. 48(1), 48-50.

Legal Issues: EEOC's ADA policy guidance: Part II. D'Arruda, K. 48(4), 197-200.

Legal Issues: Supreme Court decisions impact ADA. D'Arruda, K. 48(7), 322-324.

ERGONOMICS

Ergonomics: CTD management evaluation tool. Ostendorf, J.S., Rogers, B., Bertsche, P.K. 48(1), 17-24.

Initiating an ergonomic analysis: A process for jobs with highly variable tasks. Conrad, K.M., Lavender, S.A., Reichelt, P.A., & Meyer, F.T. 48(9), 423-429.

Video technology: Use in nursing research. Spiers, J.A., Costantino, M., Faucett, J. 48(3), 119-124.

ETHICS

Research & Ethics Corner: Ethical principles and occupational health. Rogers, B. 48(10), 456-457.

FIREFIGHTERS

Ecological model of occupational stress: Application to urban firefighters. Salazar, M.K., & Beaton, R. 48(10), 470-479.

Initiating an ergonomic analysis: A process for jobs with highly variable tasks. Conrad, K.M., Lavender, S.A., Reichelt, P.A., & Meyer, F.T. 48(9), 423-429.

GENETIC INFORMATION

Genetic information in the workplace: Implications for occupational health surveillance. Schill, A.L. 48(2), 80-91.

GLOBAL HEALTH CARE

Editorial: International perspectives in occupational and environmental health nursing. Rogers, B. 48(4), 160.

GRIEF PROCESS

Bereavement support: The occupational health nurse's role when death comes to work. Quan, J. & Wadsworth, M. 48(10), 461-469.

HEALTH AND SAFETY ISSUES

Child care work: Organizational culture and health and safety. Calabro, K.S., Bright, K.A., Cole, F.L., Mackey, T., Lindenberg, J., Grimm A. 48(10), 480-486.

Telecommuting: Occupational health considerations for employee health and safety. Healy, M.L. 48(6), 305-313.

HEALTH CARE WORKERS

Editorial: Latex allergy. Bain, E.I. 48(6), 266.

Health surveillance for health care workers: A vital role for the occupational and environmental health nurse. Stone, D.S. 48(2), 73-79.

Hepatitis B immunity in high risk health care workers: Seven years post vaccination. Funderburke, P.L., Spencer, L. 48(7), 325-330.

Is "latex safe" possible? Using a systematic approach in occupational health. Hood, J. 48(6), 291-296.

Linking Practice & Research: Postexposure prophylaxis for HIV exposed health care workers. Lusk, S.L., Robbins, W.A. 48(3), 149-151.

Latex glove allergy—dilemma for health care workers: An overview. Roy, D.R. 48(6), 267-277.

Latex sensitivity in Washington state acute care hospitals: A needs assessment and survey of awareness of the issues. Cohen, M.A., Kaufman, J.D. 48(6), 297-304.

Planning a Hepatitis C postexposure management program for health care workers: Issues and challenges. Haiduven D.J. 48(8), 370-375.

Research based prevention strategies: Management of latex allergy in the workplace. Miller, K.K. 48(6), 278-290.

HEALTH EDUCATION

Unrecognized high blood pressure: A major public health issue in the workplace. Capriotti, T. Kirby, L.G., Smeltzer, S.C. 48(7), 338-343.

HEALTH POLICY

Health and safety at work in Switzerland: Impact of European union directives. Bischofberger, I. 48(4), 161-170.

Legal Issues: EEOC's ADA policy guidance: Part I. D'Arruda, K. 48(1), 48-50.

Legal Issues: EEOC's ADA policy guidance: Part II. D'Arruda, K. 48(4), 197-200.

HEALTH PROBLEMS

Health problems associated with international business travel: A critical review of the literature. Rogers, H.L., & Reilly, S.M. 48(8), 376-384.

HEALTH PROMOTION

Child care work: Organizational culture and health and safety. Calabro, K.S., Bright, K.A., Cole, F.L., Mackey, T., Lindenberg, J., Grimm A. 48(10), 480-486.

Creating a successful occupational health and safety program: Using workers' perceptions. Sofie, J.K. 48(3), 125-130.

Ecological model of occupational stress: Application to urban firefighters. Salazar, M.K., & Beaton, R. 48(10), 470-479.

Health problems associated with international business travel: A critical review of the literature. Rogers, H.L., & Reilly, S.M. 48(8), 376-384.

Linking Practice & Research: Effects of peer education on dietary change. Kalampakorn, S., Lusk, S.L. 48(12), 551-552.

Occupational hazards in female ballet dancers: Advocate for a forgotten population. Kelman, B.B. 48(9), 430-434.

The aging employee: Impact on occupational health. Mangino, M. 48(7) 349-357.

Unrecognized high blood pressure: A major public health issue in the workplace.

Capriotti, T. Kirby, L.G., Smeltzer, S.C. 48(7), 338-343.

Urinary incontinence: Impact on working women. Fitzgerald, S.T., Palmer, M.H., Berry, S.J., Hart, K. 48(3), 112-118.

HEALTH SERVICE DEVELOPMENT

The occupational health service: Staffing, facilities, and equipment. Reith, L.K. 48(8), 395-403.

HEALTH SURVEILLANCE

Editorial: The occupational and environmental health nurse and health surveillance. Simonowitz, J.A. 48(2), 56-58.

HEPATITIS B

Hepatitis B immunity in high risk health care workers: Seven years post vaccination. Funderburke, P.L., Spencer, L. 48(7), 325-330.

HEPATITIS C

Planning a Hepatitis C postexposure management program for health care workers: Issues and challenges. Haiduven D.J. 48(8), 370-375.

HIV

Linking Practice & Research: Postexposure prophylaxis for HIV exposed health care workers. Lusk, S.L., Robbins, W.A. 48(3), 149-151.

HOSPITAL OCCUPATIONAL HEALTH

Planning a Hepatitis C postexposure management program for health care workers: Issues and challenges. Haiduven D.J. 48(8), 370-375.

Use of adult immunization strategies to increase the take of the influenza vaccine: A 2 year review. Streed, G.C., Everhart, K.D. 48(11), 521-525.

HYPERTENSION

Unrecognized high blood pressure: A major public health issue in the workplace. Capriotti, T. Kirby, L.G., Smeltzer, S.C. 48(7), 338-343.

IMMUNIZATION

Health surveillance for health care workers: A vital role for the occupational and environmental health nurse. Stone, D.S. 48(2), 73-79.

Hepatitis B immunity in high risk health care workers: Seven years post vaccination. Funderburke, P.L., Spencer, L. 48(7), 325-330.

Use of adult immunization strategies to increase the take of the influenza vaccine: A 2 year review. Streed, G.C., Everhart, K.D. 48(11), 521-525.

INCONTINENCE

Urinary incontinence: Impact on working women. Fitzgerald, S.T., Palmer, M.H., Berry, S.J., Hart, K. 48(3), 112-118.

INFORMATICS

Informatics: Accessing the Internet. DiBenedetto, D.V. 48(12), 548-550.

Technology enhanced learning for occupational and environmental health nursing: A global imperative. Olson, D.K., Carlson, V. 48(4), 175-184.

INJURY PREVENTION

Carpal tunnel syndrome: Testing the sensitivity and validity of four localized discomfort instruments. Randolph, J.A. 48(8), 385-394.

Initiating an ergonomic analysis: A process for jobs with highly variable tasks. Conrad, K.M., Lavender, S.A., Reichelt, P.A., & Meyer, F.T. 48(9), 423-429.

Occupational hazards in female ballet dancers: Advocate for a forgotten population. Kelman, B.B. 48(9), 430-434.

Work related deaths in West Virginia: Targeting research and prevention efforts. Higgins, D.N., Helmkamp, J.C., Williams, J.M., King, M.E. 48(7), 331-337.

INTERDISCIPLINARY COLLABORATION

Behavioral risk management: A partnership between occupational health nursing and occupational psychiatry (CE Article). Cameron, M., Heidel, S. 48(11), 533-541.

INTERNATIONAL HEALTH

Editorial: International perspectives in occupational and environmental health nursing. Rogers, B. 48(4), 160.

Health and safety at work in Switzerland: Impact of European union directives. Bischofberger, I. 48(4), 161-170.

The essence of the occupational health nurse's role: A teaching experience in Portugal. Rasteiro, M. 48(4), 171-174.

INTERNATIONAL TRAVEL

Health problems associated with international business travel: A critical review of the literature. Rogers, H.L., & Reilly, S.M. 48(8), 376-384.

INTERNET

Informatics: Accessing the Internet. DiBenedetto, D.V. 48(12), 548-550.

LABOR UNIONS

Working with labor unions: What occupational health nurses need to know. Baker, R., Szudy, B., & Guerriero, J. 48(12), 563-570.

LATEX ALLERGY

Is "latex safe" possible? Using a systematic approach in occupational health. Hood, J. 48(6), 291-296.

Latex glove allergy—dilemma for health care workers: An overview. Roy, D.R. 48(6), 267-277.

Latex sensitivity in Washington state acute care hospitals: A needs assessment and survey of awareness of the issues. Cohen, M.A., Kaufman, J.D. 48(6), 297-304.

Research based prevention strategies: Management of latex allergy in the workplace. Miller, K.K. 48(6), 278-290.

LATEX SENSITIVITY

Editorial: Latex allergy. Bain, E.I. 48(6), 266.

LEGAL ISSUES

Legal aspects of work related stress in nursing: Exploring the issues. Abu Al Rub, R. 48(3), 131-135.

Legal issues: Confidentiality and disclosure of medical records under the Occupational Safety and Health Act. D'Arruda, K. 48(10), 458-460.

Legal Issues: EEOC's ADA policy guidance: Part I. D'Arruda, K. 48(1), 48-50.

Legal Issues: EEOC's ADA policy guidance: Part II. D'Arruda, K. 48(4), 197-200.

Legal Issues: Supreme Court decisions impact ADA. D'Arruda, K. 48(7), 322-324.

Managing litigation risk: Documentation strategies in the occupational health setting (CE Article). Baker, S.K. 48(2), 100-105.

MANAGEMENT

Management File: Combining technology and skill to ensure effective meetings. Amann, M.C. 48(8), 367-369.

Management File: Developing a strategic plan for the new millennium. Amann, M.C. 48(3), 145-147.

Management File: The annual report: Documenting organizational results. Amann, M.C. 48(11), 509-511.

Starting a business as a nurse consultant: Practical considerations (CE Article). Papp, E.M. 48(3), 136-142.

The self employed occupational and environmental health nurse: Maximizing business success by managing financial resources. Rainer, S.R., Papp, E. 48(4), 185-194.

MEDICAL/HEALTH SURVEILLANCE

Genetic information in the workplace: Implications for occupational health surveillance. Schill, A.L. 48(2), 80-91.

Health surveillance for health care workers: A vital role for the occupational and environmental health nurse. Stone, D.S. 48(2), 73-79.

Occupational health surveillance, screening, and prevention activities in occupational health nursing practice. Rogers, B., Livsey, K. 48(2), 92-99.

Screening and surveillance: OSHA's medical surveillance provisions. Papp, E.M., Miller, A.S. 48(2), 59-72.

MENTAL HEALTH

AAOHN Advisory: Workplace violence. 48(10), 460A.

Behavioral risk management: A partnership between occupational health nursing and occupational psychiatry (CE Article). Cameron, M., Heidel, S. 48(11), 533-541.

Bereavement support: The occupational health nurse's role when death comes to work. Quan, J. & Wadsworth, M. 48(10), 461-469.

Critical incident stress management. Lim, J.J., Childs, J., and Gonsalves, K. 48(10), 487-497.

Legal aspects of work related stress in nursing: Exploring the issues. Abu Al Rub, R. 48(3), 131-135.

Workplace substance abuse impairment: The occupational health care provider's role (CE Article). McAndrew, K.G., McAndrew, S.J. 48(1), 32-45.

MENTORING

Challenging writer's block: How experienced authors make time to write. Morton, P.G. 48(11), 512-514.

Editorial: Writing and mentoring—Opportunities and professional responsibilities. Moore, P.V. 48(11), 504.

Refining outlining skills—Part I: The topic or sentence method. Oermann, M. 48(11), 515-517.

Refining outlining skills—Part II: The computer method. Johnson, S.H. 48(11), 518-520.

MOBILE HEALTH

Mobile health units: Design and implementation considerations. Murphy, D.C. 48(11), 526-532.

MUSCULOSKELETAL DISORDERS

Ergonomics: CTD management evaluation tool. Ostendorf, J.S., Rogers, B., Bertsche, P.K. 48(1), 17-24.

Carpal tunnel syndrome: Testing the sensitivity and validity of four localized discomfort instruments. Randolph, J.A. 48(8), 385-394.

Initiating an ergonomic analysis: A process for jobs with highly variable tasks. Conrad, K.M., Lavender, S.A., Reichelt, P.A., & Meyer, F.T. 48(9), 423-429.

Occupational hazards in female ballet dancers: Advocate for a forgotten population. Kelman, B.B. 48(9), 430-434.

NURSING EDUCATION

Technology enhanced learning for occupational and environmental health nursing: A global imperative. Olson, D.K., Carlson, V. 48(4), 175-184.

The essence of the occupational health nurse's role: A teaching experience in Portugal. Rasteiro, M. 48(4), 171-174.

NUTRITION

Linking Practice & Research: Effects of peer education on dietary change. Kalampakorn, S., Lusk, S.L. 48(12), 551-552.

OCCUPATIONAL AND ENVIRONMENTAL HEALTH

Editorial: International perspectives in occupational and environmental health nursing. Rogers, B. 48(4), 160.

OCCUPATIONAL AND ENVIRONMENTAL HEALTH NURSING EDUCATION

The impact of educational research centers on occupational health and safety alumni competence: A program evaluation. McGovern, P.M., Kochevar, L.K., Olson, D.K., Nelson, W.F., & Findorff, M.J. 48(12), 553-562.

Working with labor unions: What occupational health nurses need to know. Baker, R., Szudy, B., & Guerriero, J. 48(12), 563-570.

OCCUPATIONAL HEALTH NURSING

Occupational health nursing research priorities: A changing focus. Rogers, B., Agnew, J., Pompeii, L. 48(1), 9-16.

Express Speak: Burnout and the power of one. Sitzman, K. 48(9), 452.

The essence of the occupational health nurse's role: A teaching experience in Portugal. Rasteiro, M. 48(4), 171-174.

The occupational health service: Staffing, facilities, and equipment. Reith, L.K. 48(8), 395-403.

OCCUPATIONAL HEALTH NURSING PRACTICE

Occupational health surveillance, screening, and prevention activities in occupational health nursing practice. Rogers, B., Livsey, K. 48(2), 92-99.

OCCUPATIONAL HEALTH NURSING ROLE

Research & Ethics Corner: Ethical principles and occupational health. Rogers, B. 48(10), 456-457.

OCCUPATIONAL STRESS

Ecological model of occupational stress: Application to urban firefighters. Salazar,

M.K., & Beaton, R. 48(10), 470-479.

OLDER EMPLOYEES

The aging employee: Impact on occupational health. Mangino, M. 48(7) 349-357.

ORGANIZATIONAL CULTURE

Child care work: Organizational culture and health and safety. Calabro, K.S., Bright, K.A., Cole, F.L., Mackey, T., Lindenberg, J., Grimm A. 48(10), 480-486.

OSHA

Legal issues: Confidentiality and disclosure of medical records under the Occupational Safety and Health Act. D'Arruda, K. 48(10), 458-460.

Screening and surveillance: OSHA's medical surveillance provisions. Papp, E.M., Miller, A.S. 48(2), 59-72.

PERSONAL DEVELOPMENT

Challenging writer's block: How experienced authors make time to write. Morton, P.G. 48(11), 512-514.

Editorial: Writing and mentoring—Opportunities and professional responsibilities. Moore, P.V. 48(11), 504.

Express Speak: Burnout and the power of one. Sitzman, K. 48(9), 452.

Refining outlining skills—Part I: The topic or sentence method. Oermann, M. 48(11), 515-517.

Refining outlining skills—Part II: The computer method. Johnson, S.H. 48(11), 518-520.

PLANNING MEETINGS

Management File: Combining technology and skill to ensure effective meetings. Amann, M.C. 48(8), 367-369.

POLIO

Poliomyelitis: Extinct by year 2000—But not over. Williams, C.G. 48(1), 25-31.

POST POLIO SYNDROME

Poliomyelitis: Extinct by year 2000—But not over. Williams, C.G. 48(1), 25-31.

PREGNANCY

High risk pregnancy in the workplace: Influencing positive pregnancy outcomes. Cannon, R.B., Schmidt, J.V., Cambardella, B., Browne, S.E. 48(9), 435-438.

Linking Practice & Research: Working conditions and adverse pregnancy outcomes. Lusk, S.L, Somers, C.A. 48(9), 414-417.

PRENATAL CARE

High risk pregnancy in the workplace: Influencing positive pregnancy outcomes. Cannon, R.B., Schmidt, J.V., Cambardella, B., Browne, S.E. 48(9), 435-438.

PROGRAM DEVELOPMENT

Creating a successful occupational health and safety program: Using workers' perceptions. Sofie, J.K. 48(3), 125-130.

Mobile health units: Design and implementation considerations. Murphy, D.C. 48(11), 526-532.

PROGRAM EVALUATION

The impact of educational research centers on occupational health and safety alumni competence: A program evaluation. McGovern, P.M., Kochevar, L.K., Olson, D.K., Nelson, W.F., & Findorff, M.J. 48(12), 553-562.

REASONABLE ACCOMMODATIONS

Legal Issues: EEOC's ADA policy guidance: Part II. D'Arruda, K. 48(4), 197-200.

RECORDKEEPING

Managing litigation risk: Documentation strategies in the occupational health setting (CE Article). Baker, S.K. 48(2), 100-105.

REHABILITATION

Poliomyelitis: Extinct by year 2000—But not over. Williams, C.G. 48(1), 25-31.

RESEARCH

Occupational health nursing research priorities: A changing focus. Rogers, B., Agnew, J., Pompeii, L. 48(1), 9-16.

Linking Practice & Research: Effects of peer education on dietary change. Kalampakorn, S., Lusk, S.L. 48(12), 551-552.

Linking Practice & Research: Postexposure prophylaxis for HIV exposed health care workers. Lusk, S.L., Robbins, W.A. 48(3), 149-151.

Linking Practice & Research: Working conditions and adverse pregnancy outcomes. Lusk, S.L, Somers, C.A. 48(9), 414-417.

Video technology: Use in nursing research. Spiers, J.A., Costantino, M., Faucett, J. 48(3), 119-124.

RESPIRATORY HEALTH ISSUES

Reducing asthma morbidity and mortality: Cost containment strategies. Kowalski, A.F. 48(9), 418-422.

RETURN TO WORK

Poliomyelitis: Extinct by year 2000—But not over. Williams, C.G. 48(1), 25-31.

SAFETY

AAOHN Advisory: Best practices in an occupational health and safety program: Voluntary protection program (VPP) model. 48(1), 8A.

Creating a successful occupational health and safety program: Using workers' perceptions. Sofie, J.K. 48(3), 125-130.

Health and safety at work in Switzerland: Impact of European union directives. Bischofberger, I. 48(4), 161-170.

SCREENING

Occupational health surveillance, screening, and prevention activities in occupational health nursing practice. Rogers, B., Livsey, K. 48(2), 92-99.

SCREENING AND SURVEILLANCE

Screening and surveillance: OSHA's medical surveillance provisions. Papp, E.M., Miller, A.S. 48(2), 59-72.

STAFFING

The occupational health service: Staffing, facilities, and equipment. Reith, L.K. 48(8), 395-403.

STRATEGIC PLANNING

Management File: Developing a strategic plan for the new millennium. Amann, M.C. 48(3), 145-147.

The self employed occupational and environmental health nurse: Maximizing business success by managing financial resources. Rainer, S.R., Papp, E. 48(4), 185-194.

ANNUAL INDEX

STRESS

Critical incident stress management. Lim, J.J., Childs, J., and Gonsalves, K. 48(10), 487-497.

Legal aspects of work related stress in nursing: Exploring the issues. Abu Al Rub, R. 48(3), 131-135.

SUBSTANCE ABUSE

Workplace substance abuse impairment: The occupational health care provider's role (CE Article). McAndrew, K.G., McAndrew, S.J. 48(1), 32-45.

SUCCESSFUL PROGRAMS

Use of adult immunization strategies to increase the take of the influenza vaccine: A 2 year review. Streed, G.C., Everhart, K.D. 48(11), 521-525.

SURVEILLANCE

Work related deaths in West Virginia: Targeting research and prevention efforts. Higgins, D.N., Helmkamp, J.C., Williams, J.M., King, M.E. 48(7), 331-337.

TECHNOLOGY

Management File: Combining technology and skill to ensure effective meetings. Amann, M.C. 48(8), 367-369.

TECHNOLOGY ENHANCED NURSING

Technology enhanced learning for occupational and environmental health nursing: A global imperative. Olson, D.K., Carlson, V. 48(4), 175-184.

TELECOMMUTING

Telecommuting: Occupational health considerations for employee health and safety. Healy, M.L. 48(6), 305-313.

TRAVEL HEALTH

Health problems associated with international business travel: A critical review of the literature. Rogers, H.L., & Reilly, S.M. 48(8), 376-384.

VIDEOTAPING

Video technology: Use in nursing research. Spiers, J.A., Costantino, M., Faucett, J. 48(3), 119-124.

VPP MODEL

AAOHN Advisory: Best practices in an occupational health and safety program: Voluntary protection program (VPP) model. 48(1), 8A.

WOMEN'S HEALTH

High risk pregnancy in the workplace: Influencing positive pregnancy outcomes. Cannon, R.B., Schmidt, J.V., Cambardella, B., Browne, S.E. 48(9), 435-438.

Linking Practice & Research: Working conditions and adverse pregnancy outcomes. Lusk, S.L, Somers, C.A. 48(9), 414-417.

Urinary incontinence: Impact on working women. Fitzgerald, S.T., Palmer, M.H., Berry, S.J., Hart, K. 48(3), 112-118.

WORK CONDITIONS

Linking Practice & Research: Working conditions and adverse pregnancy outcomes. Lusk, S.L, and Somers, C.A. 48(9), 414-417.

WORKERS' COMPENSATION

Legal aspects of work related stress in nursing: Exploring the issues. Abu Al Rub, R. 48(3), 131-135.

WORK FITNESS

Workplace substance abuse impairment: The occupational health care provider's role (CE Article). McAndrew, K.G., McAndrew, S.J. 48(1), 32-45.

WORK FORCE COLLABORATION

Working with labor unions: What occupational health nurses need to know. Baker, R., Szudy, B., & Guerriero, J. 48(12), 563-570.

WORKPLACE PERFORMANCE ISSUES

Behavioral risk management: A partnership between occupational health nursing and occupational psychiatry (CE Article). Cameron, M., Heidel, S. 48(11), 533-541.

WORKPLACE VIOLENCE

Critical incident stress management. Lim, J.J., Childs, J., and Gonsalves, K. 48(10), 487-497.

AAOHN Advisory: Workplace violence. 48(10), 460A.

WORK RELATED DEATHS

Work related deaths in West Virginia: Targeting research and prevention efforts. Higgins, D.N., Helmkamp, J.C., Williams, J.M., King, M.E. 48(7), 331-337.

WORLD WIDE WEB

Informatics: Accessing the Internet. DiBenedetto, D.V. 48(12), 548-550.

WRITING FOR PUBLICATION

Challenging writer's block: How experienced authors make time to write. Morton, P.G. 48(11), 512-514.

Editorial: Writing and mentoring—Opportunities and professional responsibilities. Moore, P.V. 48(11), 504.

Getting published online and in print: Understanding the publication process. Nemcek, M.A. 48(7) 344-348.

Refining outlining skills—Part I: The topic or sentence method. Oermann, M. 48(11), 515-517.

Refining outlining skills—Part II: The computer method. Johnson, S.H. 48(11), 518-520.
